IRA EISENSTEIN, D.M.D.
Licensed No. DI 11150

LICENSED TO PRACTICE DENTISTRY
IN THE STATE OF NEW JERSEY

Administrative Action

ORDER REMOVING
RESTRICTIONS
ON LICENSE

CERTIFIED TRUE COPY

This matter was opened to the New Jersey State Board of Dentistry ("Board") on the application of Ira Eisenstein, D.M.D. ("respondent"), through counsel, Pamela Mandel, Esq., seeking removal of the remaining restrictions placed on respondent's license by a Board order dated July 11, 2001. In support of respondent's request he has provided letters from his treating psychologist and treating psychiatrist as well as an independent evaluation performed by Eric W. Fine, M.D., and other letters of support. Respondent has complied with the terms of prior Board orders.

Upon review of the materials submitted, the Board finds that respondent is capable of discharging the functions of a licensee consistent with the public health, safety and welfare, without any restrictions on his license and that good cause exists for entry of this Order

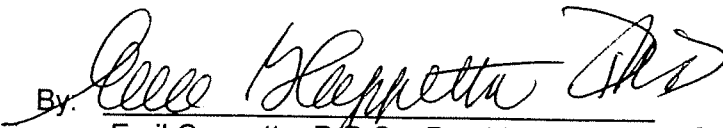

IT IS, THEREFORE, ON THIS 14th DAY OF JUNE, 2002,

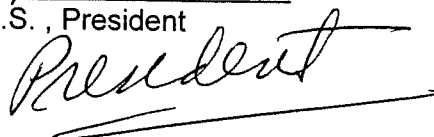

HEREBY ORDERED that:

1. All restrictions on respondent's license and the requirements to continue in treatment to submit reports from treating health care professionals are hereby vacated.
